City of Lafayette Staff Report

For:	City Council
By:	Ann Merideth, Community Development Director
Date Written:	February 15, 2008
Meeting Date:	February 25, 2008
Subject:	Consideration of potential sites for off-street public parking and/or redevelopment

---

Summary

Consistent with the goals of the City Council and as relevant to the Downtown Strategy planning process, staff would like authorization to study potential sites for their suitability for public parking and/or redevelopment and to discuss the possibility of a potential purchase of property and related price and terms with the owners. The sites are the north side of Mount Diablo Blvd. between Oak Hill Road and South Thompson Road (APN 243-030-11, 14, 15, 39). The results of this work by staff would be reported back to the Council for further direction.

Recommendation

Authorize staff to study the potential sites and begin discussions with property owners regarding the possibility of a potential purchase of the property and related price and terms.
